DIGITUS High-Speed 300N Powerline Access Point

DN-15018-1**EAN 4016032276524**

This product features a wireless LAN access point and a Powerline adapter in a single device! It offers numerous and flexible opportunities to create or extend a local / in-house network by making wireless LAN available even in distant parts of your house. Plug and play - this device can easily be installed as an extension of your existing in-house power supply system - there is no need to reinstall your cable system! This device turns every wall socket in your house into a wireless access point, connecting it with the internet or a local network!
